Barbecue at Midway Today Benefits LDS Chapel Fund

Special to The Tribune

MIDWAY, Wasatch County — Midway Second LDS Ward's building fund will benefit by a Chuck Wagon Barbecue slated for Saturday at The Homestead, local resort.

All proceeds from a day of swimming, horseback riding, pony riding and special barbecue luncheon will be turned over to Elmer Kohler, ward bishop, for the chapel, now undergoing extensive remodeling.

Parachutist Mel Hanson, Salt Lake City, will leap from a plane 1,000 feet above the valley floor and attempt to land near the resort's giant crater, an ancient landmark in this area. Following the stunt, scheduled for 12:30 p.m., a barbecue will be served chuck-wagon style on the front lawn of The Homestead.

A concert by the Midway Town Band, an exhibition by local square dancers and other entertainment will be featured during the afternoon. Swimming and riding will be offered at reduced prices Saturday only.
